ABOUT US

Finca La Concertista was born from the dream of offering a versatile, comfortable and Mediterranean space.

In 2020, Cristina Romero and Cristina Rodriguez, owners of ESKISIT Catering, began the search for a space where we could offer our catering services to our clients.

In 2021 we were able to see this venue for the first time; its cypress trees, olive groves and its versatility instantly captivated us and allowed us to see its full potential.

Finca La Concertista is a new project in which since 2021 we are adapting and improving and we continue working to be able to offer you new features and new amenities.

And although we still have a lot to do, we are happy to be able to start sharing our home with all of you.

Welcome and thank you for joining us on this great project!

Why Finca La Concertista? You may be wondering why we got our name.

This house was owned by **Evelyne Dubourg** (Paris 26.03.1929 – Sitges 03.01.2024), a renowned French pianist and daughter of the art dealer Jacques Dubourg.

It should be noted that Evelyne performed concerts all over the world but it was in this summer house where Evelyne performed multiple free piano concerts with great success.

The neighbours of the area still know this house as “the pianist's house”, and for this reason, as music lovers, we wanted to pay tribute to her and preserve part of her history by naming this property **La Concertista**.
